

Michelle Austen

Artist, Art Instructor, Author

About Me

A full-time Calgary artist, creating artwork that reflects my inner self. Expression with oil, watercolor and acrylic. Inspiration comes by travel and plein-air painting with a focus on Western Canadian landscape and floral subject matter. I have taught art for over 20 years, providing a stage for personal growth and learning through creativity in a visual form. I am an author and have published and illustrated my first book called Adventures of Wild- A Sense of Wonder.

Education

**Medical Laboratory Technology Program | SAIT
1988-1986**

**Betty MacDonald - Private Art Instructor, Calgary
